## Top Reasons for You to Engage Tom Stevens...

### Real World Knowledge and Expertise

A business owner, a town mayor, a former chief executive and trained therapist, Tom combines seasoned professional expertise in human behavior with years of hands-on leadership experience.

### Delivers Results

Tom's easy-going manner connects and convinces, while his practical tips stimulate immediate improvements in attitudes, communication, and culture change – even delights those in scientific and technical communities generally skeptical of “soft-skills”.

### Practical Tools and Options

What's the process that fits you and your group? Tom is experienced with a variety of tools and instruments, including the Myers Briggs Type Indicator® (MBTI), climate surveys, and 360° evaluations. Tom can integrate dynamic presentations, group facilitation, and coaching into a custom-designed program just right for your group.

### A Pleasure to Work With

Tom turns every interaction into a win-win. He loves what he does...and it shows!

Tom's clients have included: *GlaxoSmithKline, Biogen Idec, Novozymes, Alcatel, University of North Carolina, Duke University Health System, Henrico County (VA), Durham VA Medical Center, NACCO Materials Handling (Yale and Hyster), PlayMakers Repertory Company, Habitat for Humanity, Coastal Federal Credit Union, NC Council of Community Programs, StarQuest International, and others...*
